SIM2FIELD XR APP

NASC
Innovation of the year 2025
Runner-up

PART OF THE LAYPLAN SUITE

layher.co.uk

- Advanced 3D modelling, planning, budgeting and sales presentation support
- LayPlan, LayCAD and SIM interfaces enable high quality material, cost and logistical solutions

Layher

More Possibilities. The Scaffolding System.

KEDER ROOF XL

AVAILABLE FOR RENTAL

layher.co.uk

- Spans up to 40 metres
- Lightweight, easy installation, minimal bracing
- Versatile, for arched or domed installations
- Innovative integrated sheeting track

Layher

More Possibilities. The Scaffolding System.
