

NASC

BALL & AWARDS 2023

WESTMINSTER BRIDGE PARK PLAZA, LONDON | FRIDAY 17 NOVEMBER 2023

You are invited to join us at the NASC Ball & Awards – the construction industry's hottest event! This year there will be a nod to the glamour and razzmatazz of the roaring twenties. The dress code is black tie and we invite you to embrace this glamorous 20's theme when donning your glad rags to really look the bee's knees!

The evening will build upon the success of the 2022 event held at the same venue which is located opposite Big Ben on London's Southbank, and will include the luxury dining experience and amazing entertainment that guests have become accustomed to. Expect to be dazzled yet again!

The event will also recognise members' expertise and innovation through the NASC Awards which this year will see two new awards introduced for our growing membership. More details about how to enter the awards can be found on our [website](#).

Members are encouraged to invite their partners, clients and guests to help continue to make this another memorable occasion
