1.	What services/products does your company provide? <i>(Please use bullet points if more than one).</i>
	<p>Retain Health, Safety and Scaffolding consultancy.</p> <p>Statutory independent scaffold inspection</p> <p>Policy writing</p> <p>RA/MS writing service</p> <p>Desktop audit</p> <p>PQQ</p> <p>Fire risk assessment</p> <p>In-house training TG20:21 and SG:22</p>
2.	What benefit do these services/products provide to scaffolding contractors?
	<p>We collaborate with scaffolding contractors of all sizes, from the smallest to the largest, as well as both NASC members and non-NASC members. We provide guidance that is easy to understand and has relevant solutions to the question.</p> <p>We also provide construction advice and site inspection support for our client’s site teams and their subcontractors.</p> <p>In addition to the aforementioned information, we have prepared a comprehensive report that includes specific legislative solutions to address the issue at hand. This report provides a detailed analysis and offers practical recommendations to effectively tackle the problem</p>
3.	Why do you feel the services/products that your company provides should receive special recognition from NASC members?
	<p>As part of our services, we evaluate our clients' adherence to training, insurance, and safety standards. We meticulously examine their certifications, first aid, fire risk assessment, and technological protocols to ensure everything is current and compliant. Furthermore, we scrutinize their risk and process statements and verify that facilities are being properly maintained. Lastly, we offer expert advice on identifying potential hazards.</p>
